295884 VILLAGE OF RIVERDALE (NO CASH BID REQUEST). Transmitting a Communication from Deborah Sims, Chairman, Tax Delinquency Subcommittee, submitting a request from Zenovia G. Evans, Village President, Village of Riverdale.

Re: No Cash Bid Request Package for the Village of Riverdale.

The purpose of this letter is to inform you of the Village of Riverdale's desire to participate in the Cook County No-Cash Bid program. The Village is interested in acquiring certain properties located within Riverdale that are delinquent in real estate taxes or special assessments for two or more years, pursuant to 35 ILCS 200/21-90.

Please accept this request to obtain the following three (3) properties.

<u>VOLUME</u>	<u>PROPERTY INDEX NUMBER</u>
195	29-04-108-019-0000
195	29-04-108-023-0000
195	29-04-108-028-0000

Parcel 29-04-108-019-0000 is a vacant industrial building. Parcel 29-04-108-023-0000 is a commercial building that is occupied by a business operating as C & R Excavating. Parcel 29-04-108-028-0000 is a vacant commercial building. The Village has submitted Affidavits of Abandonment with respect to both vacant properties.

The Village intends to use each of these three buildings for industrial and commercial development. They are not part of our 138th Street Corridor Plan; however, they are adjacent to the southern border of the Plan area and have similar characteristics as those properties in the Plan area. The Village intends to develop the properties in the same spirit as the 138th Street Corridor Plan in order to expand tax revenues. Currently, there is no third-party-applicant for any of the parcels.

The Village agrees to report the status of each parcel to the Cook County Department of Economic Development annually for five consecutive years or until the intended use is complete, whichever is last. Also, the Village will apply for tax exempt status on each parcel once a tax deed is obtained until a developer is designated.

The Village has retained the Law Offices of Kenneth W. Pilota and shall bear all costs to proceed to tax deed and perform all legal and other activities associated with this program.

***Referred to the Committee on Tax Delinquency Subcommittee on 09-03-08.**

Ken Pilota, Esq., Law Offices of Ken Pilota, stated that, with regard to these three parcels, the Village of Riverdale has not yet identified a third party, but would like to acquire these parcels and prepare them for future commercial and industrial redevelopment.

Ms. Malito stated that it is very difficult at present to determine the occupancy of these parcels. She state that she did see some trucks which look new at the location; the village stated in its package that it an excavating company is occupying the property.

Janice Morrissy, Director, Community/Economic Development, Village of Riverdale, stated that the property is occupied by an excavating company; there may be materials dumped on site, possibly environmental hazards, and the property shows sign of deterioration. The last time she checked they did not have a business license. It is her understanding that the owner died.

Chairman Sims stated that it needs to be determined whether the property is occupied. If someone owns it, it is Cook County's policy that they are afforded the opportunity to pay back taxes.

Randolph Johnston, Assistant State's Attorney, stated that there may be a lease or rental agreement between a business that may be there and the owner. He advised that it would be the safest course to defer this item until it is determined whether this is a leasing situation.

Commissioner Butler, seconded by Commissioner Murphy, moved the approval of Communication Number 295884. The motion carried.

CONFIDENTIAL/ATTORNEY CLIENT PRIVILEGE

Honorable Deborah Sims
Cook County Commissioner, 5th District

Re: Tax Delinquency Committee Meeting October 14, 2008

Dear Commissioner Sims:

You have asked this Office about the status of the Tax Delinquency Committee meeting that was called to order at 10:00 a.m. on October 14, 2008. The Committee did not have a quorum, and was recessed and reconvened to October 15, 2008.

Pursuant to the Rules of Organization and Procedure of the Cook County Board of Commissioners (the "Board Rules"), the rules of procedure for committee meetings shall be the same as for the Board (except for the quorum size requirements). Board Rules, Section 2-108(aa). The lack of a quorum at any Board meeting shall cause the meeting to stand adjourned from day to day, to the same hour of the day, until a quorum is present. Board Rules Section 2-108(f)(1). Thus, the lack of a quorum at the October 14th Tax Delinquency Committee meeting caused the meeting to stand adjourned from day to day, at the same hour (10:00 a.m.) until such time as a quorum of the Committee is present.

Moreover, it is our understanding that you, as Chair of the Tax Delinquency Committee, specifically recessed the October 14th Meeting until 9:45 a.m. on October 15th. If this is accurate, this recess to a time certain, which is more specific than an adjournment from day to day, would control. Either way, the Tax Delinquency Committee is properly noticed for a meeting on the morning of October 15, 2008.

Sincerely,

Elizabeth Reidy

Deputy Bureau Chief

Honorable Deborah Sims
Cook County Commissioner
Chairman, Tax Delinquency Sub-Committee
118 North Clark, Room 567
Chicago, IL 60602

Dear Commissioner Sims:

The Village of Riverdale sincerely appreciates the County's assistance, support and partnership in our economic development efforts. The Board has assisted us in numerous ways, including participation in the County's No-Cash Bid Program.

As you will recall, at yesterday's Tax Delinquency Sub-Committee meeting the Village brought forth three PINS for participation in the No-Cash Bid Program. It was agreed that PINS 29-04-108-019-0000 and 29-04-108-028-0000 would be brought forward at today's Board meeting. The Village is requesting that PIN 29-04-108-023-0000 also be brought forward for consideration as well so that our economic development work is not delayed.

When it appeared that the property might be occupied, the Commissioners at the Tax Delinquency Sub-Committee mentioned yesterday that the County wants to give the owners of properties that are occupied a chance to pay the taxes. It is my understanding that this system is already in place. I thought that the County mails a notice to the tax assessee at least 30 days prior to the County making the tax buy. Also, I thought that the entire tax deed procedure is loaded with notice serving requirements once the tax buy is made, and that there will be no less than another four (4) notices that either the owner and/or tax assessee receives before a deed can be issued.

Another important point to the Village is that there are at least 20 years of open taxes on this property. C&R Excavating is not contributing to the Village's tax base, employing a recognizable

"Best Little Village of Illinois"

Page 2
October 15, 2008

amount of people, or offering a service that is beneficial to the Village or our residents. The County is reaping no benefit either. C&R Excavating is just using the property as a dump site for potentially hazardous materials. The best thing that can happen is that the Village takes over the property and start redeveloping it to benefit the County, Village and our residents.

You may also be interested in knowing that our Public Works facility is located in the same vicinity as this property, and they have not seen any activity at the property in approximately one and half months. Based on our knowledge, the property is not being leased.

To reiterate, the Village is requesting that PIN 29-04-108-023-0000 also be brought forward for consideration at today County Board meeting so that our economic development work is not delayed. Please be assured that the Village will work with the County to secure additional information about occupancy status of the property while the County works through the initial steps of purchasing this property through the No Cash Bid Program.

Thank you for your consideration of this matter. Should you have any questions, please call me at 708-932-6360.

Sincerely,

Janice L. Morrissy, Director
Community & Economic Development
